Publispei President Verdiana Bixio is heading to LA Screenings with two hit series

Verdiana Bixio, President of Publispei, is attending the upcoming LA Screenings (May 17-19) with the aim to launch her latest hit series *Flowers Over the Inferno* and *Yet We Fall Happy*. Furthermore, after a long experience in producing and adapting scripted formats (see *I Cesaroni*, *Un Medico in Famiglia*, etc.) she is looking for new projects, new series to adapt, new partners for future cooperation in Italy and abroad.

The first series that will be launched in the US, is the thriller series *Flowers Over the Inferno* (original title: *Fiori sopra l'inferno*) broadcast by Rai 1 last March.
